Just brought

and discovered  
it is not set up  
for a 1" wide

anyone can help  
me figure out  
how to change it  
over from a 1/2"  
wide wheel to a

1" wide wheel  
I'd appreciate  
it. Also, when  
you start the  
machine the only  
way the machine  
will keep  
running is if  
you hold the  
emergency stop  
button 'out'.
