Conflict of ...

Conflict of laws concerns the process for determining the applicable law to resolve disputes between individuals, corporations in multi-jurisdictional cases and transactions. Conflict of laws especially affects private international law, but may also affect cases where a contract makes incompatible reference to more than one legal framework. The term "conflict of laws" is primarily used in the United States and Canada, though it has also come into use in the United Kingdom. In most other countri

Conflict of laws - Wikipedia

Conflict of Laws Defined. Conflict of laws signifies the difference between the laws of two or more jurisdictions that are applicable to a dispute in question. The results of the case depend upon the selection of the law to resolve the dispute. The conflict can be between federal and state laws, among the state laws themselves, or between the laws of different countries.
