Men With Green Faces (1969) - YouTube

The Green Man, and very occasionally the Green Woman, is a legendary being primarily interpreted as a symbol of rebirth, representing the cycle of new growth that occurs every spring. The Green Man is most commonly depicted in a sculpture, or other representation of a face which is made of, or completely surrounded by, leaves. The Green Man motif has many variations. Branches or vines may sprout from the mouth, nostrils, or other parts of the face, and these shoots may bear flowers or fruit. Fou
