biological, intellectual, social, and emotional factors.

## Here's How You Can Motivate Employees

Work motivation "is a set of energetic forces that originate both within as well as beyond an individual's being, to initiate work-related behavior, and to determine its form, direction, intensity, and duration." Understanding what motivates an organization's employees is central to the study of I–O psychology. Motivation is a person's internal disposition to be concerned with and approach positive incentives and avoid negative incentives. To further this, an incentive is the anticipated ...
